The claims are amended herein as required in Action 1 for allowance. Claim 1 is clarified by adding "a person" as the subject of "standing". The terminology "sheath" or "sleeve" is clarified by making it consistently "sheath" in all the claims. Claim 2 is combined with claim 3 by adding the elements of claim 3 to claim 2. Claim 3 is cancelled. Claim 5 is combined with claim 6 by adding the elements of claim 6 to claim 5. Claim 6 is cancelled. This results in 3 independent claims and 4 total claims.
